

Anthem

SWIVEL

Anthem swivel seating, designed for transitional office and conference applications, features a contoured plywood shell covered with high density foam to provide comfort when seated for long periods of time. Select from upholstered arms for ultimate comfort or smooth maple arm caps for a contrasting design. A black polyurethane base is standard. An optional metal understructure base with wood caps or a polished aluminum base is available. All models feature a swivel control with tension adjustment and pneumatic height adjustment.

Specifications

- Wood Species: Maple plywood arms
- Seat has two layers of plywood and 3 1/2" high density polyurethane padding.
- Back has two layers of plywood and 3 1/4" high density polyurethane padding.
- Swivels revolve, tilt, have tension control, pneumatic lift mechanism and black dual wheel casters.
- Constructed with one piece plywood outer shell, contoured for maximum comfort and matching interior seat and back plywood shells.

To order, specify:

1. Model number
2. Finish
3. Fabric pattern name and color
4. Optional wood base (add \$78 list)
5. Optional polished aluminum base (add \$37 list)
6. Optional black polyurethane arms (no upcharge)

Finish Options
