With an expanded offering of elements for specifying private offices, collaborative stations and open plan environments, the possibilities are extensive with Vision. Modular components (casegoods, storage, etc.) are designed to blend with systems with tiered storage and a layered aesthetic.
Clean lines and contemporary veneers are the palette of an esteemed executive. A light-scale peninsula desk is paired with a double-height sliding-door overhead that supports the requirements of a modern office.

Top: Peninsula desk with frosted acrylic trim modesty panel. Work tool rail. 
Middle: Mini power tilt up. Return with partial height modesty panel.
Bottom: Ergo adjustable height. Wire management solutions.
A contemporary desk of classic proportions coupled with a freestanding storage wall provides the platform for executive decision making. Beneath the double cut veneer and glass doors, storage componentry and technology access deliver the functional design needed in the modern office.
U Unit
An adjustable height bridge integrated into an efficient U Unit allows for active work styles while still reaping maximum benefits from reduced footprint. Storage tower inserts, overhead storage and modular filing units promote organization. (Components shown with double cut veneer, frosted glass doors and Tyler seating.)

Storage tower inserts, overhead storage and modular file units promote organization.

(Lower photographed desk shown with stainless steel U-Base, wall-mounted sliding-door overhead storage, Collective Wirebook and Proxy seating.)

L Unit
Use modular components to combine a variety of storage units and worksurfaces for a multi-level, full-function station. A peninsula desk is coupled with modular bench height cabinets to provide ample storage and a low profile. (Peninsula desk shown with stainless steel U-Base, wall-mounted sliding-door storage, Collective Wirebook and Proxy seating.)

Modular L Units are flexible, affordable and a staple of every working office environment.

Overhead cubbies provide easy access to current files and reference materials. (Single pedestal desk shown with bench cushion, freestanding overhead with cubbies, storage cabinet and Protocol seating.)

L Unit
Modular L Units are flexible, affordable and a staple of every working office environment.

Overhead cubbies provide easy access to current files and reference materials. (Single pedestal desk shown with bench cushion, freestanding overhead with cubbies, storage cabinet and Protocol seating.)

U Unit
Various storage heights and contrasting fronts turn a standard U Unit into a contemporary work station.

P-top peninsula desks allow small groups to interact at the primary worksurface. (P-top peninsula desk shown with contrasting door/drawer fronts, wall-mounted sliding-door overhead with cubbies and base storage.)

Vision casegoods are the perfect solution at an affordable price.

Visit jsifurniture.com and review the Vision price list for endless possibilities.
Create fresh and open collaborative team environments that are as valuable as they are valuable.

Vision storage opportunities are endless with open shelving, cubbies, sliding door overheads, wardrobes and filing options.
Freestanding Team Station
A vast work surface and generous room to maneuver will help ensure a healthy and happy work force.
Group multiple peninsula desks together and the station is more conducive to spontaneous collaboration and sparking conversations.
(Rectangular peninsula desks shown with mobile pedestals and Proxy seating.)

Freestanding Team Station
The benefits of at-reach and low storage include increased efficiency and more team collaboration.
Span standard height worksurfaces and bench height cabinets with at-reach storage to create privacy as well as modular alignment.
(Team station shown with boomerang tops, contrasting laminates, a Swish height adjustable table and Avia seating.)

Tandem Cockpit Units
Side-access storage cabinets and privacy screens delineate the work space while cockpit style worksurfaces promote work flow.
Specify units in tandem using modular components.
(Bullet corner desks shown with Stardust Silver column base, frosted acrylic trim modesty panel, storage cabinets and Tyler seating.)

Tandem Bench Units
Get a near custom fit in any space using the wide range of sizes available in the Vision modular offering.
Adjustable height tables promote wellness and allow for maximum flexibility in team stations.
(Modular bench unit shown with pneumatic adjustable height table desks, contrasting drawer fronts and Newton seating.)

Vision casegoods are the perfect solution at an affordable price.

Back-to-back stations with a shared central activity hub are ideal for individual tasking and designed for immediate team engagements. The layered componentry of Vision allows light to fill the space and employees to feel connected.
Privacy Screens

Working as a team is important, but so is a little privacy. Frosted acrylic privacy screens allow light to filter through and define individual spaces.

Layered Storage

Combine vertical and horizontal storage elements and still keep everything aligned with flexible mounting systems that support your vision.

Knife Edge

Customize the style, shape, and size of your conference tables with a wide variety of options. A knife edge gives the appearance of a thin top profile while providing the structure for long-lasting durability.

Bench Seating

Specify cushions with low storage and you have a bench! Excellent for impromptu conversations and quick collaborations, or just relaxing during a tough day.
pull options

edge profiles

Desk Modesty Panel Options

Peninsula Desk Support Options

Pull: Choose from 5 pull options for door and drawer fronts in either a Polished Nickel, Matte Nickel and Matte Black finish. Glass doors on storage towers incorporate a special flat pull for the look of no pulls that coordinates with all styles. *Edges* One and approach edges are offered in 2 1/2 profiles. Side edge profiles are flat for premium fits. Glass cabinet door fronts can be specified in frosted or back-painted white glass. Modern panels and privacy screens are offered in frosted acrylic. 

**Wood** All wood finishes incorporate our proprietary low-emission finish; DuraTex. JSI also offers special finishes and custom finish matching (contact JSI Customer Service for details).

Sustainability: Learn how Vision can contribute to your sustainability goals by contacting your JSI Customer Service Team.
